Wishing you peace, love and happiness on Easter and always!

It means so much at Easter time
To keep in touch with friends
To wish them happiness and cheer
And joy that never ends
That's why this brings a warm "Hello"
Especially for you
Together with best wishes
For a happy springtime too
Have an Eggs-traordinary Easter!

HAPPY EASTER FROM
PARK PARTHENIA

The Tiny Bunny is working all day long. Decorating Easter eggs, while humming a song He is having so much fun making eggs for you and me and small chocolate bunnies that he gives away free. But when he is finished he'll bring them your way. In a big colored basket
Upon Easter day

Bring a friend and the Easter Bunny will give you a Golden Egg worth **\$500**

Earthquake Preparedness

Would you be ready if an earthquake hit today? Most Californians live near an active earthquake fault; you can follow simple guidelines to be prepared.

Before an Earthquake:

- Prepare an emergency kit of food, water, and supplies including a flashlight, portable battery operated radio, batteries, medicines, first aid kit, money and clothing.
- Decide how and where your family will reunite if separated during an earthquake
- Learn how to shut off gas, water, and electricity in case the lines are damaged. SAFETY NOTE: Do not attempt to relight gas pilot. Call the utility company.

During an Earthquake:

- If indoors, stay there. Get under a desk or table or stand in a corner.
- If outdoors, get into an open area away from trees, buildings, walls and power lines.
- If driving, pull over to the side of the road and stop. Avoid overpasses and power lines. Stay inside your car until the shaking is over.

After an Earthquake:

- Check for gas and water leaks, broken electrical wiring or sewage lines. If there is damage, turn the utility off at the source and immediately report gas leaks to your utility company. Check for downed power lines; warn others to stay away
- Turn on your portable radio for instructions and news reports. For your own safety, cooperate fully with public safety officials and follow instructions.
- Be prepared for aftershocks, stay calm and lend a hand to others.
