Thanksgiving or Thanksgiving Day

celebrated on the fourth Thursday in November, has officially been an annual tradition in the United States since 1863, when during the Civil War, President Abraham Lincoln proclaimed a national day of thanksgiving to be celebrated on Thursday, November 26. As a federal and popular holiday in the U.S., Thanksgiving is one of the "big six" major holidays of the year. The event that Americans commonly call the "First Thanksgiving" was celebrated to give thanks to God for guiding them safely to the New World.

The first Thanksgiving feast lasted three days, providing enough food for 53 pilgrims and 90 Native Americans. The feast consisted of fish (cod, eels, and bass) and shellfish (clams, lobster, and mussels), wild fowl (ducks, geese, swans, and turkey), venison, berries and fruit, vegetables (peas, pumpkin, beetroot and possibly, wild or cultivated onion), harvest grains (barley and wheat), and the Three Sisters: beans, dried Indian maize or corn, and squash.

**Enjoy your Thanksgiving dinner
with your family!**
